

Midwest Conference of ESOP Champions II

THE BEST NEVER REST!

Success breeds success. Building on a fantastic freshman offering, the mighty chapters of Illinois, Iowa-Nebraska, Minnesota/Dakotas, and Wisconsin, held their second Multi-state conference in as many years – The Midwest Conference of ESOP Champions II!

Michael Keeling addresses conference attendees

As it turned out, the event exceeded everyone's expectations. With the help of 23 sponsors, the chapter administrators and the planning committee, we rolled up our sleeves and delighted the record setting crowd, supporting 362 attendees: 183 corporate, 156 professional, 17 prospective, and 6 guests.

What else could be expected with the support of 65 speakers, with a four track event focused on collaborative learning and a passionate advocacy for ESOP COMPANIES?
